Gary-- I tried to reach you but didnt leave a message. Fred and I wanted to talk to you a bit more about the response you are drafting. Unfortunately I am out starting tomorrow. Do you mind reaching out to Fred before you draft your response? Thanks!

Fred,

Today, I am in the EPA-Chesapeake Energy HF meeting that Ramona set up in Oklahoma City.

I am awaiting additional information that Dayna said that she might send me today.

I have not been assigned the letter that followed from the Democrats.

Gary,

Are you doing OK with the response, or would you like further assistance?

Also, have you also been assigned the letter that followed from the Democrats? (and if not, does anyone on this email know where it is?)

Fred
